

The Fair Start for Kids Act Growing Trauma-Informed and Healing-Centered Practices

Fair Start for Kids Act Where we are today

- Creating updated curriculum: Trauma-Informed and Healing-Centered Fundamentals
 - Will be included in Child Care Basics and available as a stand alone for internal and external workforce
- Compensation for TIC knowledge and skills through approved training and education
- Establishing TIC competencies that can be a basis for future development of a specialty credential.

Trauma-
informed
workforce

Trauma Informed and Healing Centered Foundations Training

How should DCYF

- Prototype the training for providers who are indigenous in Washington State?
- Protect against trauma responses?
