Identified Client (name): _____

Presenting Issues & Treatment Goals

DCYF staff referring a client for services must clearly articulate the need for this service as it relates to child safety and/or well-being, and the permanency planning goals of the case. If details including specific questions or topic to be addressed in the evaluation or counseling sessions are provided here, a separate referral letter to the provider is unnecessary.

ADDITIONAL APPROVAL REQUIRED: If there are exceptional circumstances which justify exceeding the allowed hours on the Published Fee Table, or if counseling / treatment must extend beyond the initial 3-month referral, then the Area Administrator must also approve this referral. Counseling extensions may only be authorized after careful review of the case, evaluation of progress on treatment goals, and a demonstrated need for continued service in order to support child safety, permanency and well-being.

Professional Services Quick Reference Guide for DCYF Workers

The Published Fee Table with the rates & allowed hours is posted at <https://www.dcyf.wa.gov/services/child-welfare-providers/contracted-services>

Service	Description	Published allowed service hours
<p>Chemical Dependency Assessment & Treatment</p>	<p>An assessment or treatment by a provider who is certified to provide this service in the State of Washington. The written assessment report must meet the general standards below. Inpatient or outpatient treatment will be provided according to the contract terms and recognized standards in the field of substance use disorder.</p>	<p>DCYF should be the payee of last resort after Medicaid, the Parents in Reunification Program, or other resources. One evaluation per a client Paid per completed evaluation. Treatment: As recommended in the evaluation, if approved by DCYF, and paid per Published Fee Table</p>
<p>Counseling, Therapy, & Treatment</p>	<p>Therapist will provide counseling, therapy, or treatment services, using evidence based, promising practice, or other recognized therapeutic techniques to assist an individual or a family in the amelioration or adjustment of mental, emotional or behavior problems.</p> <p>If the court orders the DCYF to pay for the treatment of adult sex offenders, then that will be authorized under this heading. (See Published Fee Table)</p>	<p>Maximum of 20 hours within a three (3) month period per family, or for a person participating in individual or group treatment.</p> <p>Authorizations are valid for 3 months. Any subsequent referrals require approval by the AA.</p>
<p>Developmental Assessment</p>	<p>The Contractor shall provide a written assessment of the client's cognitive, emotional, physical, behavioral, academic and/or social characteristics and patterns of disorder. The Contractor also shall evaluate the client's prognosis and amenability to treatment based on direct examination and interview, appropriate testing, collateral contacts and/or records review.</p>	<p>10 hours maximum per assessment (includes written report)</p>
<p>Domestic Violence Perpetrator Assessment & Treatment</p>	<p>A program that is certified by the State of Washington per WAC 110-60A and https://app.leg.wa.gov/WAC/default.aspx?cite=110-60A The Contractor will conduct an individual and complete clinical intake and assessment interview with each perpetrator covering all of the topics required in the WAC. The Contractor will then develop and employ a written treatment plan for each individual, with a focus on treatment which will end the participant's physical, sexual, psychological abuse of the participant's victim(s).</p>	<p>DCYF is to be the payee of last resort: Contact Regional Program or Contracts Manager for further direction</p> <p>DV Assessment 5 hours maximum</p>
<p>Parenting Assessment</p>	<p>An assessment which includes direct examination and interview of the parent and all children referred, including a minimum of one hour observation of the parent/child interaction. The assessment also includes a review of family and parenting history, (including questions about abuse, neglect, DV, and substance abuse); an examination of the parent's attachment to the children, parenting & discipline skills, and ability to seek services for the child's needs; and collateral contacts or record review. The contractor must also administer standardized, reliable, & validated measures of parenting skills, parenting stresses, and potential for abusive behavior.</p>	<p>10 hours maximum per evaluation (includes written report)</p>
<p>Parenting Instruction</p>	<p>Provider will use a standardized curriculum that is approved by the DCYF Regional Program Manager to provide parenting instruction to the client in a group setting. No individual parenting instruction through this contract.</p>	<p>Maximum of 15 hours within a three (3) month period</p>

<p>Sexual Deviancy Evaluation (ADULTS ONLY)</p>	<p>Contractor will provide a written sexual deviancy evaluation of the client's emotional, social and behavioral characteristics, history and patterns of sexual deviance, prognosis, and amenability to treatment. The evaluation shall be based on direct examination and interviews, appropriate testing, collateral contact and/or records review.</p> <p>These evaluations may also include a polygraph test to determine the client's truthfulness in response to case specific questions, and/or a penile plethysmograph test to help determine sexual arousal patterns, if these are specifically approved in advance by DCFS. The contractor shall observe and interview the client and evaluate the results of the tests. The written report of this testing must include both the original document written by the test administrator, and an analysis by the contractor.</p>	<p>DCYF is to be the payee of last resort: Contact Regional Program or Contracts Manager for further direction</p> <p>10 hours maximum per evaluation (includes written report)</p> <p>Polygraph & Plethysmograph are paid separately</p> <p>Treatment: See Published Fee Table</p>
