LD/CPS Investigation FAQs Feedback

Additional edits were made to the draft LD/CPS Investigation FAQ docs based on feedback received during the [February meeting](#). The updated versions of the docs are currently under review by our legal team and will be shared with Members as soon as the final versions are approved.

Provider Supports Subcommittee Recruitment Update

After reviewing the Provider Supports Subcommittee membership list, we noticed half of the members terms are up June 30 of this year (2024). However, in the interest of aligning ELAC and Provider Supports recruitment calendars there is not going to be a recruitment cycle this year and all Provider Supports member terms will end June 30, 2025. This change will not prevent anyone from joining or leaving Provider Supports. If you do not wish to extend your term to 2025, please let us know.
