# Overview

## **During this webinar, we will:**

- Explore the ESIT.Web platform
- Show users the school district reports available
- Gather feedback and answer questions

## May we Introduce?

- The ESIT.Web application was released prior to the funding shift from OSPI to DCYF
- The ESIT.Web application features the school district portal among other enhancements
- We do not currently have plans to replace the ESIT.Web application and the school district portal when we shift to a new data management system.

**News & Information:**  
[More News & Information](#)

# ESIT.Web School District Portal

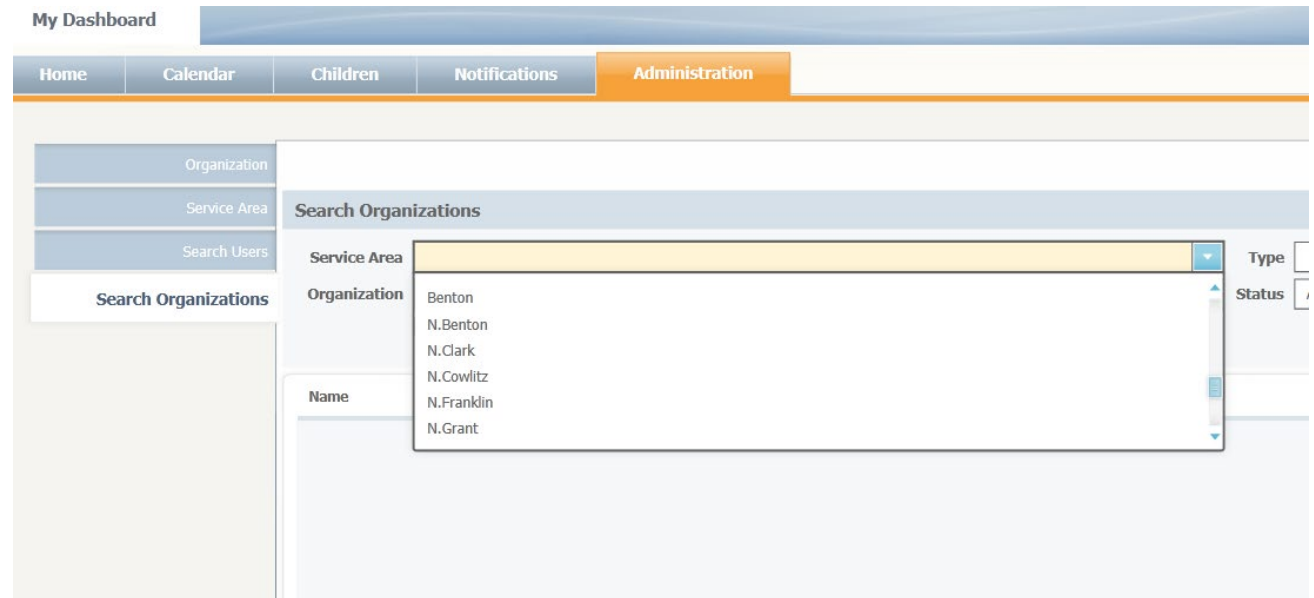

- All School District staff are listed as “Special Education Contact” and have access to the ESIT.Web portal
- School Reports are visible to all users (bottom left corner of the screen)
- IFSPs are only accessible if parental consent is on file and the FRC has requested this access level through the Help Desk

# Children in the School District Portal

Children visible in the School District Portal must be:

- At least 2 yrs 3 months old
- Have an initial IFSP in place
- The Child is potentially eligible for Part B services (checkbox in DMS is selected)

The most recent IFSP is accessible to the school district liaison if the FRC has requested access through the ESIT Help Desk

# Reports Available to School District Staff

Federal **School** Compliance FRC Provider Indicator COS Administrator Administration COS Reports

## Count Of Children in School District

This report displays a count by school district of children residing in each school district.
