

Washington State Department of  
**CHILDREN, YOUTH & FAMILIES**

1115 Washington Street SE • PO Box 40983 Olympia, WA 98504 -0983

The Department of Children, Youth & Families contemplates awarding a sole source contract to Patrick Maloy to continue previous development of the Education and Training Voucher (ETV) database and Student Portal, built in the Laravel/MySQL/PHP environment, model, and systems. Additionally, this work builds on previously built components to transition from Microsoft Access to a Web-based application. Contractor will train DCYF on this solution and provide maintenance and support.

The contract will be issued on or about August 26, 2022. The dollar value is estimated at \$116,800.00 for work required during the period ending July 31, 2026. At the sole discretion of DCYF, this contract may be extended for an additional one (1) year or through July 31, 2027, if funding is available.

Offerors contemplating the above requirements are required to submit capability statements detailing their ability to meet the state's requirements by August 25, 2022. The following information should be included in the capability statements:

- Provide detailed information about your organization's history designing, developing and maintaining applications that support the ETV line of business using Laravel/MySQL/PHP.
- Provide detailed information about your organization's history of successfully delivering end-user training and support to ETV staff related to operation of these types of solutions.

In the absence of other qualified sources, it is the state's intent to make a sole source award of the Contract.

To submit capability statements or for questions, contact:
