

2023 HVSA Rural Expansion Planning Application FAQs – March 30, 2023

Application Supplemental Documents

Q: What is a document that can be submitted in lieu of a federal document that proves IRS tax-exempt status?

A: Government entities are exempt from submitting this documentation.

Q: For the organizational chart, do you want the map of the planning team or the future home visiting team?

A: The organization chart is primarily for the planning team. Want to see an overarching org chart and where the planning effort would be housed. It is intended to give a sense of context. However, if you have an idea of how the home visitor team would fit into your organization, please include that as well.

Q: Who are the board members?

A: The list of the governing or guiding board of your organization.
