ECLIPSE

ECLIPSE is an acronym that stands for **Early Childhood Intervention Prevention Services**

A Trauma-informed, Healing Centered, Center- Based Intervention and Treatment services for Families with Young Children.

Vision

Honoring the complexities of intersectional familial needs

Identifying strengths and meeting needs from birth to Kindergarten

Protecting children from systemic harm through continuity of care

Connecting families with intergenerational trauma to resources

Providing consistency through early learning to elementary

Tenets of an Integrated Approach

Dual Enrollment

- ECEAP and Early ECEAP high quality comprehensive early learning model will be paired with ECLIPSE mental health supports and services and expanded to additional programs throughout the state guided by data on critical mental health needs

Efficient Braided Funding

- ECEAP, B-3 ECEAP and ECLIPSE funds will be layered to meet the therapeutic needs of children and families enrolled in ECEAP and B-3 ECEAP

Strong Data

- ECLIPSE services will be integrated into the Early Learning Management System (ELMS), which houses ECEAP and B-3 ECEAP administrative data and child and family assessments.

High-Quality Tiered Supports

- Following capacity for further data collection, individualized child and family interventions and classroom adaptations and supports will be analyzed for quality and effectiveness.

Looking for Your Input

How would it be best to prioritize funding?

What is important for us to know as we build our capacity to work with tribes?

What are we missing?

Thank you
