Information Access Questions

When you have a question about staff qualifications for a licensed or certified job role, where do you go for answers?

(examples: Center Director, Family Home Lead Teacher, Center Assistant Teacher)

MERIT is the official system of record for early learning in Washington State.

Information Access Questions

Do you access MERIT (Managed Education and Registry Information Tool) and if so, what do you find useful?

How could DCYF be a better partner regarding licensed or certified staff qualifications?
