

JR Continuum Weekly Summary

1/3/2025– 1/9/2025

DCYF JR's residential placement continuum includes two secure institutions: [Green Hill School](#) (GHS), and [Echo Glen Children's Center](#) (EGCC); 8 [minimum security community Facilities](#) (CFs); and [Community Transition Services \(CTS\)](#). GHS and EGCC serve young people with minimum, medium, and maximum-Security Classifications; CFs serve qualifying individuals with minimum security classifications, and CTS serves qualifying individuals of all classification. Placement decisions in CFs and CTS are made through a [multi-display team review process](#).

DCYF JR POPULATION WEEKLY CHANGE

Population as of 1/9/2025

Institution Total: **343**

Community Facility Total: **84**

Total Population: **427**

Population as of 1/2/2025

Institution Total: **350**

Community Facility Total: **78**

Total Population: **428**

INSTITUTIONAL POPULATION

Green Hill School

Serves males 17-25

Safe Operational Capacity: **180**

- Population on 1/9: **233 (129%)**
- New facility intakes: **4**
- Exits: **8**
- **47.6% Adult Sentences**

Echo Glen Children's Center

Serves males under 17 & Women

Safe Operational Capacity: **112**

- Population on 1/2: **110 (98%)**
- New facility intakes: **5**
- Exits: **8**
- **7.3% Adult Sentences**

Number of 17-year-old males: 15

17-year-old males are currently unable to transfer to GHS due to capacity limitations and represent the population backlog.

COMMUNITY-BASED PLACEMENT POPULATION

Community Facilities

Serves qualifying individuals with "Institutional Minimum" Security Classification

Safe Operational Capacity: **116**

Population on 1/9: **84 (72%)**

- Scheduled for Placement this week: **4**
CFs are near full functional capacity. Beds are held for youth transferring between CFs as they cycle out of programming, or during notification periods once approved for transfer. Some beds are reserved only for women or younger individuals. Individuals participating in CTS also pull from the CF population.

Community Transition Services

Safe Operational Capacity: **20**

- Reviews Completed (to date): **18**
- Recommended for Placement: **16**
- Currently Participating: **7**
- Scheduled for Placement: **1**
- Recommended for Removal: **2**
- CTS Releases: **6**

Parole Obligations

JR is currently serving **146 young people** through parole.

Community Assisted Reentry (CAR)

[CAR](#) is a voluntary program for young people without an obligation to parole aftercare, county probation or DOC supervision to receive services. CAR is averaging ~54 monthly participants.
