New Provider Portal Feature: Displaying Slots Available on Child Care Check

The [WA Compass Provider Portal](#) has a new field that allows you to display “Slots Available” on Child Care Check (CCC).

After you enter the number of slots you have open (including age group) on your Provider Portal Home Page under the Provider Information tab (see Image 1), the openings will be displayed in CCC. Parents will be able to search for providers with current openings. Please refer to images 2 and 3 for screenshots resulting in CCC.

You can sign into the Provider Portal at any time to adjust your available slot information.

If you do not have access to the Provider Portal or if you have difficulties displaying your available slots, contact Provider Portal support at dcyf.providerportal@dcyf.wa.gov or 1-866-627-8929.
