## Direct Shipping – only for items that can not fit in typical passenger car

Office Support staff will confirm the parent contact information and provide the follow to the regional business office, with the service referral

- the width, depth, and height of the opening
- if the dryer is electric or gas

The business office purchases the items, using the Shipping Catalog below. They will also track to ensure the family has received the item.

Items requested for families that are not on catalog, are sent to headquarters for approval and identification of allowable costs and product types.

All items include set up and haul away as applicable.
