We engage in **COMMUNICATION** practices that are transparent, timely and accessible.

We use **STRENGTHS BASED APPROACHES** at engagement, process and practice levels.

We are intentional about **LEARNING** at individual, agency, state and regional levels.

We respect that participation opportunities are **VOLUNTARY** at home visitor, supervisor, agency and state levels.

We strive for **CAPACITY BUILDING** designed to support ongoing sustainability of innovative best practices for Region X's home visiting workforce, including: training, coaching, reflective supervision and consultation, assessments, organizational supports and resources.
