

STATE OF WASHINGTON
DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES
1115 Washington Street SE • PO Box 40983 Olympia, WA 98504 -0983

SOLE SOURCE POSTING

The Department of Children, Youth, Families (“DCYF”) intends to award a sole source contract to Naomi Perry to provide training and fidelity oversight to therapists contracted with the DCYF on the Parent Child Interaction Therapy (PCIT) model of service delivery.

PCIT is one of the key services for DCYF to support children in remaining safely in their homes and to support timely reunification. The model of PCIT is governed by PCIT International. Following their training protocols, only a PCIT Certified Regional Trainer is qualified to deliver services across provider agencies.

DCYF has previously identified the need to improve outcomes for children and families. Because of this, DCYF has implemented programs shown in research to be effective and to have a cost benefit. The Washington State Institute of Public Policy (WSIPP) had identified several programs that cost effectively impact child welfare outcomes.

PCIT International has verified that Naomi Perry is the only Certified Regional Trainer for PCIT in the State of Washington.

The contract will be issued on or about January 5, 2022. The dollar value for this contract is estimated at \$120,000.00, inclusive of the services required during performance the period of the contract through December 31, 2023. At the sole discretion of DCYF and provided funding is available, this contract may be extended for an additional four (4) years, in two (2) year term intervals, through December 31, 2027.

Those who believe they have the necessary qualifications are required to submit a capability statement detailing their ability to meet the state’s requirements by January 4, 2022. The statement must detail the applicant’s experience, ability and organizational capacity to provide the following services:

- PCIT Certified Regional Trainer by PCIT International;
- Required to remain abreast of recent research findings and PCIT model updates on the National level;
- Must remain in active contract for a minimum of 1 hour x2/yearly with a Regional Trainer; and
- Must follow the PCIT National Trainer Guidelines for all Provider levels.

In the absence of other qualified sources, it is the intent of DCYF to make a sole source award of this Contract.
