This list was developed to facilitate timely contact between DCYF and Washington state federally recognized tribes regarding CPS emergent intakes needing a 24-hour response after hours that involve children and families who are or may be subject to the federal and state Indian Child Welfare Acts. By request of the Indian child welfare subcommittee, Washington state tribes are emailed at the end of the month with a request for updates. The list is then posted to the DCYF internet and intranet the first week of each month. If tribal staff need to request changes, please contact [dcyf.tribalrelations@dcyf.wa.gov](mailto:dcyf.tribalrelations@dcyf.wa.gov). Fax numbers listed must be in a confidential and secure location. **Note:** DCYF does not maintain a contact list for Adult Protective Services referrals or response.
