Copay	If income is OVER 200% FPL At Initial Application: Not Eligible		\$15 Copay		\$65 Copay		Subtract 137.5% FPL from countable income up to 200% FPL, then multiply by .50 and add \$65**				If income IS OVER 219% FPL at review, not eligible for Phase-Out.		
*Note: If the consumer's annual income EXCEEDS 85% SMI during the receipt of benefits, that consumer is no longer eligible for WCCC services.													
**Note: If, at the time of re-application, a consumer's income is over 200% FPL but UNDER 220% FPL, they can receive second-tier eligibility as they transition to the private pay market for child care. The copay calculation for second-tier eligibility will remain constant at the 200% FPL.													
FPL: Federal Poverty Level SMI: State Median Income
