RE: Update to Practice-Initial Licenses for Approved Relative and Suitable Person (Kinship) Caregivers memo dated July 1, 2023

EFFECTIVE DATE: October 1, 2023

SUNSET REVIEW DATE: July 1, 2024

This memo replaces the Practice-Initial Licenses for Approved Relative and Suitable Person (Kinship) Caregivers memo dated July 1, 2023.

On July 1, 2023, [RCW 13.34.065](#) was revised and began requiring the Department of Children, Youth, and Families (DCYF) to start an assessment for an initial license to qualified relative and suitable person caregivers within 10 calendar days if the court orders the assessment at the shelter care hearing and the caregiver indicates a desire to become foster licensed.

Effective October 1, 2023, DCYF will issue initial licenses to qualified relatives and suitable person caregivers without a court order. However, if a court orders DCYF to initiate an initial license for caregivers, it must be prioritized over those not court ordered and must meet the 10-day initiation. This change allows caregivers, including DCYF employees that are caregivers, to become eligible for foster care maintenance payments (FCMP) starting on the date DCYF issues the initial license.

This memo includes the following new policies and procedures that will be reflected in the following policies at a future date:

- Child Welfare [Kinship Care: Searching for, Placing with, and Supporting Relatives and Suitable Other Persons](#)
- Operations [Background Checks](#)
- Licensing Division [Licensing State Foster Homes](#)
- DCYF Administrative 11.25 Child Care Licensing or Approval, Program Payments and Enrollment, Foster Care Licensing, Placement, and Adoption for DCYF Employees
