

# Promotion and Prevention Frameworks

ECLIPSE contractors are not limited to using these frameworks. This is a list of potential promotion and prevention frameworks that can be used by contractors.

Name of Instrument	Child Age Range and Focus	Research/Evidence-Based/Promising Practice
<a href="#"><u>DECA Framework</u></a>	<p>Age Range: Infants, Toddlers, Preschool</p> <p>Focus: <i>Helps teachers understand how students are progressing with respect to three key emotional skills: developing healthy relationships, learning how to regulate emotions, and showing initiative.</i></p>	<p>Research-Based</p>
<a href="#"><u>FLIP-IT</u></a> (Feelings, Limits, Inquires, and Prompts)	<p>Age Range: 3-8 Years</p> <p>Focus: <i>A simple 4 step process to support children’s attachments and relationships, initiative, and self-regulation.</i></p>	<p>Research-Based</p>
<a href="#"><u>Conscious Discipline</u></a>	<p>Age Range: 3-5 Years</p> <p>Focus: <i>Both children and adults learn to manage their thoughts, feelings and behaviors, empowering them to reach their goals.</i></p>	<p>Promising Practice</p>
<a href="#"><u>Pyramid Model</u></a>	<p>Age Range: Infants, Toddlers, and Preschoolers</p> <p>Focus: <i>To provide an evidence-based framework for nurturing the social-emotional development of all children, with more intensive, tiered supports for children at risk for social-emotional delays and children who engage in persistent challenging behaviors.</i></p>	<p>Evidence-Based Practice</p>
