

Inspection of fireplaces, wood stoves, or similar wood-burning heating devices

WAC 110-300B-2650

Any chimney, fireplace, wood stove or similar wood-burning device in use in the licensed home must be inspected yearly unless the licensee provides a written statement that the chimney, fireplace, wood stove or similar wood-burning device will not be used at any time.

LICENSEE NAME

PROVIDER ID

ADDRESS

Provide a statement in the space below indicating you **will not** be using at any time the fireplace, wood stove or similar wood-burning heating device in the licensed home.

STATEMENT

If a chimney, fireplace, wood stove or similar wood-burning device is used in the licensed home at any time it must be inspected yearly. Department of Children, Youth, and Families does not require you to submit a copy of the inspection.

LICENSEE SIGNATURE

Date

I understand that a person may be subject to penalties under Chapter 9A.72 RCW for making a materially false written statement.
