POL 10.6.14 MANAGING CHILD CARE BUILDING PLAN REVIEWS*

This policy applies to DCYF managing building plan reviews.

1. DCYF May Conduct Building Plan Reviews

When an inquiry is received for the department to look at a floor plan of a licensed provider's possible remodel or unlicensed entity's possible licensed facility, DCYF may schedule a plan review meeting.

2. DCYF Will Invite Deputy State Fire Marshal

For a center or school-age program, DCYF will invite the Deputy State Fire Marshal who may attend the plan review if available.

3. DCYF Will Provide Technical Assistance Relating to Child Care Licensing Requirements

DCYF staff will refer entity to other resources for questions that do not relate to child care licensing WAC/RCW. These may include, but are not limited to:

- State Fire Marshal's office
- Local fire department
- Local building official/department
- Local health department
- Department of Labor and Industries

*A plan review is a formal review of the floor plans of a proposed facility to provide guidance on meeting the physical needs of a building planned for child care.
