Transition Transition Discussion

How To

Enter Transition Discussion Details on an IFSP

Notes

- Please note, there are two main areas of El-Hub that address Transition. One area is the **IFSP Transition** panel, accessed through the **IFSP** tab (as seen on this slide). The second area is the **Transition** tab (discussed later in this job aid) after selecting the child. You search for the child by selecting the child and lookup option. In the Child Lookup Results Report Filter, enter information in the fields to locate the child.
- The IFSP Transition panel is a less formal transition panel that houses general transition discussions that occur at every IFSP meeting. *Child's transition should be discussed at every IFSP meeting
- The **Transition** tab is where the formal transition process starts with the development of the transition plan, recording of the transition meetings and conferences held.

- 1. Select the **IFSP** tab from within the Child's record.
- 2. Select Edit from the IFSP grid to edit an existing IFSP.
