#### **Emergency child care license—Intent and authority.**

(1) The department of children, youth, and families (or “the department”) was established under chapter 6, Laws of 2017. Chapter **43.216** RCW establishes the department's responsibility and authority to set and enforce licensing requirements and ECEAP standards, including the authority to adopt rules to implement chapter **43.216** RCW.

(2) On February 29, 2020, the governor proclaimed a state of emergency in Washington state in response to the first case of the novel coronavirus disease 2019 (COVID-19). See proclamation by the governor no. 20-05. As of March 11, 2020, the world health organization has classified COVID-19 as a pandemic. See proclamation by the governor no. 20-08. The pandemic spreads easily and rapidly from person-to-person and may result in serious illness or death. See proclamation by the governor no. 20-16.

(3) In response to this pandemic Washington’s citizens including, but not limited to, first responders, healthcare workers, retail workers, public works employees, and other professionals in Washington state are working each day to: curtail the spread of COVID-19, treat victims of this disease, supply citizens with goods to properly “social distance” themselves from others, and continue the regular operation of everyday services and utilities.

(4) As a result of this pandemic, and under the authority granted to the department under RCW 43.216.065(2)(c) the department shall issue emergency child care licenses to ensure a safe and healthy supply of child care services during the pandemic.

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** Governor Jay Inslee issued proclamation 20-05 declaring a state of emergency in all counties in the state of Washington as a result of the outbreak of COVID-19. As of March 11, 2020, the World Health Organization has classified COVID-19 as a pandemic. DCYF's ability to issue emergency child care licenses will better ensure a safe and healthy supply of child care services during the pandemic. Chapter 110-310 WAC was adopted on an emergency basis on March 25, 2020 under WSR 20-08-044. Circumstances changed under proclamations 20-25 through 20-25.6 "Safe Start – Stay Health" County-by-County Phased Reopening, but conditions prompting the state of emergency declaration still exist and justify the need for the chapter to remain in effect.
