Pursuant to proclamation 20-28 and any subsequent proclamation, or other gubernatorial or legislative action suspending the requirements of RCW 42.56.080, .090, or .100, public inspection is not permitted. ((Public records are available for inspection and copying during the department's normal business hours, Monday through Friday, 8 a.m. to 5 p.m., excluding legal holidays. A department staff person must be present at all times when a record is being inspected. Appointments are not required, but significantly help the department provide prompt and efficient service. Some department records may be stored in other locations, in computer storage systems, or the state records warehouse, and may take time to identify and gather. How the department responds to public records requests.

The department will respond to public record requests in a reasonable amount of time given the unique circumstances of the COVID-19 pandemic. ((Within five business days of receiving the request,)) When the department receives a request for records, the department will either:

- (1) Provide the record;
- (2) Acknowledge the request and give a reasonable time estimate of how long the department will take to provide records;
- (3) Contact the requestor to clarify the request if it isn't understood by the public records officer; or
- (4) Deny all or part of the request in writing, with reasons for the denial. The explanation will include the law that the department relied upon in its denial.

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Governor Jay Inslee issued proclamation 20-05 declaring a state of emergency in all counties in the state of Washington as a result of the outbreak of COVID-19. The Governor's proclamation directed state agencies to do everything reasonably possible to respond to and recover from the COVID-19 outbreak. As of March 11, 2020, the World Health Organization has classified COVID-19 as a pandemic. Proclamation of the Governor 20-28 amends proclamation 20-05 and directs state agencies to limit personal contact through social distancing and limit person-to-person contact. Proclamation 20-28 waives and suspends any in-person contact related to public records requests and the requirement that a state agency respond to requests within five days of receipt.
