Purpose: The Child Welfare Division is making changes to the Extended Foster Care (EFC) Program WACs in chapter 110-90 WAC and other related rules as required by Senate Bill (SB) 5908, which takes effect June 6, 2024. EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The legislative changes are necessary for the preservation of public health, safety, and general welfare by:

- Eliminating the current federal eligibility requirements for youth to participate in the EFC program.
- Requiring DCYF to provide a Supervised Independent Living payment to youth participating in the EFC program within one month of signing the Voluntary Placement Agreement (VPA).
