

# Be a hero to a child in need!

Washington State's Stay Home, Stay Healthy order has limited mandatory reporters' access to children and youth. This makes it harder to detect abuse or neglect, leaving many children at risk.

This is where you can help.  
Continue to be the eyes  
– and support – to help a child.

**Call the Statewide  
End Harm Line 24/7  
at 1-866-363-4276  
to report suspected  
abuse or neglect.**
