## Family First Community-Based Pathways Listening Sessions

Join the DCYF Family First Team and Foster America to learn about a new effort called **Family First Community-Based Pathways (FFCBP)**. These pathways will provide support before a crisis happens, and help families avoid child welfare involvement.

Share your thoughts, experiences, and ideas to help shape how these pathways grow in Washington.

### What You'll Learn and Do:

- **Learn** how these pathways can support families and help prevent child welfare involvement.
- **Talk** about what kinds of support families and communities need.
- **Share feedback** that will help design better services for the future.
